Do you remember a guy that's been	Am	G	Dm	Dm
In such an early song?	G	G		
I've heard a rumor from Ground Control	Em	Em		
Oh no, don't say it's true	C	C		
They got a message from the Action Man	D	D		
"I'm happy, hope you're happy too	F	F		
I've loved all I've needed, love	C	Em		
Sordid details following"	F	F		
The shrieking of nothing is killing, just	G	E/G#		
Pictures of Jap girls in synthesis and I	A	A		
Ain't got no money and I ain't got no	E	E		
hair	G	G		
But I'm hoping to kick but the planet it's	D	D		
Glowing	F	F		
	C	Em		
Ashes to ashes, funk to funky	F	G		
We know Major Tom's a junkie	C	Am		
Strung out in heaven's high	F	G		
Hitting an all-time low	Am	G	Dm	Dm
Time and again I tell myself	G	G		
I'll stay clean tonight	Em	Em		
But the little green wheels are following me	C	C		
Oh no, not again	D	D		
I'm stuck with a valuable friend	F	F		
"I'm happy, hope you're happy too"	C	Em		
One flash of light	F	F		
but no smoking pistol	G	E/G#		
I never done good things (I never done good things)	A	A		
I never done bad things (I never done bad things)	E	E		
I never did anything out of the blue, woh-o-oh	G	G		
	D	D		
Want an axe to break the ice	F	F		
Wanna come down right now	C	Em		
Ashes to ashes, funk to funky	F	G		
We know Major Tom's a junkie	C	Am		
Strung out in heaven's high	F	G		
Hitting an all-time low	Am	G	Dm	Dm
My mother said, to get things done	Am	G	Dm	Dm
You'd better not mess with Major Tom
