

## Valentine - Richard Hawley

Hold me in your arms, may they keep me	D	D		
Sing me a lullaby, 'cause I'm sleepy	D	D	G	A
I'm scared you don't need me anymore	D	D	G	A
	G	A	D	D
Bring me to the light of the morning	D	D	G	A
Take me through this night till the dawning	D	D	G	A
Oh, I see a warning in your eyes	G	A	D	D
And I don't need no valentines, no, no	Em	A		
Don't need no roses	D	D		
'Cause they just take me back in time, no, no	Em	A		
Now you're not here	D	D		
Hold me just tonight, sleep will tend me	D	D	G	A
Save me from lonely hours, there's so many	D	D	G	A
And I won't get any sleep tonight	G	A	D	D
And I don't need no valentines, no, no	Em	A		
Don't need no roses	D	D		
'Cause they just take me back in time, no, no	Em	A		
Now you're not here anymore,	G	G		
not anymore	D	G	A	D
	Em	A		
	D	D		
	Em	A		
	G	G		
	D	D		
Don't need no valentines, no, no	Em	A		
Don't need no roses	D	D		
'Cause they just take me back in time, no, no	Em	A		
To when you loved me only	D	D		
And I won't drink no aged wine, no, no	Em	A		
Now you're not here	G	G		
anymore	D	G	A	
not anymore	D	G	A	
Not anymore, not anymore	D	G	A	
	D	D
