

The Promise – Sturgil Simpson

A Asus4

If you need a friend, don't look to a stranger
You know in the end, I'll always be there
But when you're in doubt, and when you're in danger
Take a look all around, and I'll be there

I'm sorry, but I'm just thinking of the right words to say
I know they don't sound the way I planned them to be
But if you'll wait around awhile, I'll make you fall for me
I promise, I promise you I will

When your day is through, and so is your temper
You know what to do, I'm gonna always be there
Sometimes if I shout, it's not what's intended
These words just come out, with no gripe to bear
