

## Good Hearted Woman - Waylon Jennings

A long time forgotten	D	D	D
Are dreams that just fell by the way	D	D	
The good life he promised	G	G	
Ain't what she's living today	A	A	
But she never complains of the bad times	D	D	
Or bad things he's done, Lord	G	G	
She just talks about the good times they've had	A	A	
And all the good times to come	D	D	

She's a good-hearted woman	D	D
In love with a good-timin' man	G	G
She loves him in spite of his ways	A	A
That she don't understand	D	D
Through teardrops and laughter,	D	D
They'll pass through this world hand-in-hand,	G	G
A good-hearted woman	A	A
Loving her good timing man	D	D

He like the night life, the bright lights	D	D
And good-timin' friends	G	G
When the party's all over	A	A
She'll welcome him back home again	D	D
Lord knows she don't understand him,	D	D
But she does the best that she can	G	G
'Cause she's a good-hearted woman;	A	A
She loves her good timin' man	D	D

She's a good-hearted woman	E	E
In love with a good-timin' man	A	A
She loves him in spite of his wicked ways	B	B
That she don't understand	E	E
Through teardrops and laughter,	E	E
They'll pass through this world hand-in-hand,	A	A
A good-hearted woman	B	B
Loving her good timing man	E	E
